How to book

You can book in three ways:

1. On WhatsApp at +91 20 0000 4411.
2. On our website, www.sunrisemind.example, under "Book a session".
3. By calling the front desk at +91 20 0000 4400 during opening hours.

For a first visit, book a First consultation. Your therapist will then suggest a plan, usually weekly sessions to begin with. If you are unsure which therapist to choose, the front desk will match you based on what you need and the language you prefer.

Your first session

Please arrive 10 minutes early to fill in a short intake form. Bring a photo ID. For online sessions you will receive a Google Meet link by email 30 minutes before the session. Use a quiet, private room and headphones if you can.

Cancelling and rescheduling

- You can cancel or reschedule free of charge up to 24 hours before your session.
- Cancellations within 24 hours are charged 50% of the session fee.
- If you do not attend without telling us, the full fee is charged.
- If you are more than 15 minutes late, the session may be shortened, and the full fee still applies.
- If your therapist has to cancel, you will not be charged and we will offer the next available slot.

Refunds

- Unused sessions in a package can be refunded within the 4-month validity period, minus the cost of the sessions already used at the full single-session price.

- Workshop fees are refunded in full if you cancel at least 3 days before the workshop. After that, we can move you to the next workshop instead.
- Refunds are made to the original payment method within 7 working days.
- To ask for a refund, email accounts@sunrisemind.example with your name and booking date.

Payment

We accept UPI, debit and credit cards, and cash at the clinic. Online sessions must be paid in advance by UPI or card. We do not offer EMI. We provide receipts by email after each payment.

Insurance

Most health insurance plans in India do not cover outpatient therapy. We do not bill insurers directly. We can give you an itemised receipt and a session summary for you to claim yourself if your plan covers it.

Teenagers and consent

Clients aged 13 to 17 need written consent from a parent or legal guardian before the first session. A parent attends part of the first session. What a teenager shares in therapy stays confidential, except where there is a risk to their safety or someone else's. We do not see children under 13.

Confidentiality and privacy

What you share with your therapist is confidential. We only share information without your permission if there is a serious risk to your life or someone else's, or if the law requires it. Session notes are kept securely for 3 years after your last session and then deleted. You can ask for a copy of your notes, or for them to be deleted earlier, by emailing privacy@sunrisemind.example. We never record sessions.

Medication

Our therapists do not prescribe medication. If your therapist thinks medication may help, they will refer you to our visiting psychiatrist, Dr. Arjun Mehra, or to a psychiatrist of your choice. We cannot give advice about doses or changing medication on WhatsApp or by phone.

Group workshops

We run 2-hour workshops on Saturdays at 11:00 am. Topics this season:

- Managing exam stress (for students), first Saturday of each month.
- Mindfulness for beginners, second Saturday.
- Coping with grief, third Saturday.

Each workshop has at most 12 people. Book them the same way as sessions.

For companies

We offer workplace wellbeing programmes: talks, workshops and confidential counselling for employees. For a proposal, email partners@sunrisemind.example.
